1943 - 2023

A.C.T./UCT Sudbury Council 1051

People Helping People

YAMAS TO 80 YEARS!

Congratulations to **ACT/UCT SUDBURY COUNCIL**
and your commitment to the community.

THE KOUZZINA MEANS "KITCHEN" IN GREEK.

In Greek culture, the kitchen is the beating heart that draws people together. It's where the aromas are robust, the conversation is lively, and the laughs are so loud they reverberate through every room in the house.

This year we're proudly celebrating
40 YEARS of serving Sudbury.

THE **KOUZZINA.CA**

THE **KOUZZ**
at Nite

A new after hours experience
Thursday, Friday and Saturday evenings.

80 Years of People Helping People

Eighty years ago a group of travelling salesmen, who were based in Sudbury, decided to form a Sudbury Council of the Associated Canadian Travellers, known now as A.C.T./UCT. The original charter members were well-known businessmen in Sudbury and included S.A. Woodruff as President, O.H. Bingham as Secretary and members S. Rothschild, C.H. Littlejohn, G.A. Godwin and G. Froot. On August 13, 1943, the Sudbury Council #1051 was officially incorporated and became the 21st of more than 60 councils that once existed in Canada.

The idea for the A.C.T. started one winter evening in 1918 when three travelling salesmen were waiting for a train to take them home to Calgary after a busy week on the road. They began talking and the conversation drifted to the helpful work being done by service clubs in their area. They wondered if it would be possible to organize a commercial travelers club that would not only help its members, but help the communities in which they lived and worked. They held their first meeting that very night with six initial members, by the following week their numbers had doubled and before long chapters began opening in different cities and provinces throughout Canada.

By 1924 a Dominion Council was formed, with the head office based in Calgary and elections were held to elect the executive from existing councils. Sudbury Council members H.F. Shaw held the position of Dominion President from 1953 to 1955 and Louis J. Narbone from 1973 to 1975. Since that time several Sudbury members have been elected and served on the Board of A.C.T./UCT nationally.

Originally, the purpose of the organization was to provide accident insurance for travelling salesmen who were mostly independent contractors. Protecting the rights of its members and aiding those dependent upon them. In those days travelling salesmen had no insurance to protect themselves and their families in the event of an accident or death. Soon the members of councils across Canada began raising funds for people and groups in their communities who needed help. At its inception A.C.T./UCT was described as a fraternal society open only to men who worked as commercial travelers however that has changed.

Eighty years means A.C.T./UCT has evolved. A lot of economic and environmental factors have changed.

Our membership is now made up of men and women from every walk of life. In Sudbury our focus of "People Helping People" continues and is unwavering. While many councils in Canada have struggled with declining membership, locally we have survived through these pressures and continued to assist our members and the community.

From sponsoring construction of a room at the Alzheimer's Centre to the accessible play structure in Bell Park along with over fifty years of continuous sponsorship for Sudbury Minor Baseball we are well established in our community. In our 80 years of service to our members and the Greater City of Sudbury community we have donated millions of dollars and continue to be "People Helping People" every day.

Don Delongchamp and Doug Honeyford supporting the Christmas Telethon.

On behalf of City Council, it is my pleasure to extend best wishes and congratulations to the Sudbury Council 1051 of the United Commercial Travelers Dominion Region on your 80th anniversary.

With strong core values, the UCT has always strived to bring together those in our community who hold a passion for volunteerism, good citizenship and working together to build a thriving community.

Over the years, countless local charities, and initiatives have greatly benefited from the support of the Sudbury Council which has left a lasting impact on residents across Greater Sudbury.

Thank you for your continued efforts in our community.

Mayor Paul Lefebvre
City of Greater Sudbury

March 1, 2024

For over 80 years, the United Commercial Travelers of America (UCT), have been exceptional volunteers and community advocates. I want to sincerely congratulate the group of men and women who contribute to the success of the UCT Sudbury Council. You have been fierce advocates, donors, and volunteers for various activities within Sudbury.

From your work as one of the longest supporters of Sudbury Minor Baseball to participating in the Daily Driver Program with the Sudbury Food Bank, you all continually make an impact on all areas of our community, and I want to commend you for your dedication and commitment.

I want to wish you all the continued success as you celebrate this incredible milestone.

Sincerely,

Viviane Lapointe
Member of Parliament Sudbury

Message from the President

A.C.T./UCT Sudbury Council is so very proud to be celebrating our 80th Anniversary in Sudbury. Originally we were formed to provide insurance and benefits to travelling salesmen. Over many years we have transitioned to a fraternal society focused on our members and serving our community. People may remember some of our fundraising efforts such as ACT Octoberfest, the Christmas Bring Your Party to Our Party Dinner Dance, Touch a Truck, Golf Tournaments and Curling Bonspiels along with our annual Christmas ham sales of Vitto Brand products. All of these efforts have allowed us to sponsor and assist many local charities. We are one of the longest continuous sponsors of Sudbury Minor Baseball with over fifty years of support. We have funded the arbor, patio table and an industrial refrigerator for Maison McCulloch Hospice. Many will

identify us with the Bell Park play structure and being the first service organization to sponsor fifteen benches along the Bell Park walkway. The groups we have supported are many and varied including the Infant Food Bank, Cystic Fibrosis, L'Arche, Sudbury Independent Living, House of Kin, the Salvation Army, Elgin Street Mission and the Inner City Home. Additionally we established a bursary in perpetuity at Cambrian College, Laurentian University and College Boreal over twenty years ago. We have donated to and staffed the telephones for the annual MCTV Lions Children's telethon for many years.

We have seen some major changes to our organization this past year, but I feel we have emerged even stronger and positioned to continue our work within the community. We wish to thank all of our members for their continued participation. It is

your support that keeps us relevant in a constantly changing environment.

A huge thank you to the overwhelming support of our partners and advertisers who have enabled us to produce this historical publication.

The current executive of the Sudbury Council of ACT/UCT is made up of President Connie Zwarich, Vice President Don MacDonell, Secretary Theresa MacLean, Treasurer Dave Carnes, Past President Don Delongchamp, Directors Doug Honeyford, John Varney, Tracey Urso, John Roy and Directors at Large Jerry Giff, Gil Hartley, Wayne McCuaig and Norm Pellerin. They all continue to work very diligently on a daily basis to continue our mission of People Helping People.

President Connie Zwarich

Who We Are and What We Do

We are The Order of United Commercial Travelers of America, commonly referred to as UCT, a fraternal benefit society offering the members various insurance products and other benefits for more than 120 years. A unique blend of men and women joined by the theme "People Helping People". UCT also pursues community service activities including youth programs, public safety and drug awareness campaigns, cancer education and prevention, and to people with intellectual disabilities.

Founded in 1888 by traveling salesmen, UCT's local councils now operate in 47 states, the District of Columbia and 10 provinces of Canada. We extend our welcome to all people and their families, friends

and business associates who are 18 years or older. Members have the opportunity to become involved in their communities through their

local councils. UCT is a member of the National Fraternal Congress of America (NFWA) and the Canadian Fraternal Association (CFA).

Donation of our Christmas Vitto hams to the Elgin Street Mission.

Maison McCulloch Hospice

For someone on an end-of-life journey – whether it is their own or the journey of a loved one - the comfort and serenity of their environment is of paramount importance. The surrounding view has the power to calm, to inspire reflection and ultimately facilitate one's reconciliation with their circumstances.

The ACT/UCT membership understood this and – in 2009 – purchased a treed archway for the lakeside grounds. This archway provides a beautiful leafy canopy to those who stand under it for shade – a vision of vibrant colours in the fall to its onlookers. They also provided a beautiful table and chair set for the upper grounds – a great place to have a sit and appreciate the outdoors.

But the generosity of the ACT/UCT did not stop there. In 2018 - during the expansion of the existing 10-bed site - plans were made for a larger kitchen operation requiring commercial kitchen equipment. This group stepped up to the plate again in a big way and purchased a commercial freezer to support the increased food storage capacity we would require. Today, Maison McCulloch Hospice is the largest single-site hospice operation with 20-beds and 5 service programs available to our community!

We are truly grateful for our ongoing partnership with this organization – thank you ACT/UCT!

Julie Aube, CPA, CMA
Executive Director/Directrice générale

BUILD NORTH CONSTRUCTION

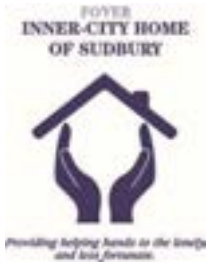

(705) 524-1622
BUILDNORTH.CA

BUILDING QUALITY IN THE NORTH

Build North Construction has been constructing key education and other municipal and institutional buildings that are important to the communities in which they are situated.

The Foyer Inner City Home de/of Sudbury (ICH)

The Foyer Inner City Home de/of Sudbury (ICH) is an emergency food bank with no funding and overseen by a volunteer board of directors, one full time Administrator and approximately 60 volunteers and with no government funding. ICH at 251 Elm Street operates Mon. to Fri. from 1 pm until 3:45 pm; 1169 Dollard St. in New Sudbury Tues. from 10 am until 1 pm.

The doors at the ICH opened in 1986 as a place to give hospitality when there was nowhere else to go. The food bank opened a short time later.

Community partners, local businesses, concerned individuals, service clubs and churches play a vital role in our operation. For every \$ donated we generate 3\$ of purchasing power at National Grocers. Funds are generated with special events as well as participation in the 50/50 programs at Sudbury Wolves and Five games, Delta Bingos, stores, churches and schools often organize food drives. Volunteers like the Lockerby Legion play a significant role with the events. Free life-skills programming slowed down recently because of a lack of volunteer instructors. We are in the midst of starting up again.

When I speak of community partners, I must point out the help and support we receive on an ongoing basis from our local ACT/UCT organization. The partnership has provided a healthy awareness in the community. The membership provides programs and participates in raising funds that are donated back to the ICH. This partnership is what helps our organization remain solid and viable.

On behalf of our Board of Directors and the many families and children we serve, I congratulate the ACT/UCT celebrating 80 years of community service from 1943 to 2023. We are so proud to be a partner with such community minded citizens.

LUPUS Ontario

Lupus Ontario and ACT/UCT

In 1978, Honey Agar and Linda Ethier were hospitalized in Toronto with a mysterious disease called lupus. They were extremely frustrated that there was little known about the disease and how to treat it. They immediately recognized the need for more education for both the public and for physicians on lupus and the need for money for lupus research. They were determined to raise funds for education and lupus research in the hope that other lupus patients would get better care and perhaps a cure could be found.

In 1985, Honey and Linda presented their case for funding to ACT/UCT. They were delighted when the organization agreed to provide funding to the Ontario Lupus Association (OLA) which is now known as Lupus Ontario. This was the beginning of a relationship which continues to this day.

ACT/UCT became Lupus Ontario's first sponsor and funded a two-day seminar on lupus epidemiology. Geoff Carr, then President of ACT/UCT was instrumental in establishing this partnership. In honour of Geoff Carr, the Annual Lupus Ontario Geoff Carr Fellowship was established to train rheumatologists to become experts in diagnosing and treating lupus. Each Fellow is also required to complete a research project. The first Fellow was trained in 1990 and to date 35 Fellows have been trained. The majority are still practicing in Canada, mostly in Ontario. ACT/UCT continues to support the Lupus Ontario Geoff Carr Fellowship and the Annual WALK for Lupus Ontario. The proceeds from the WALK for Lupus Ontario go towards support and education programs for lupus patients and their families, and advocacy projects aimed at improving programs and services for lupus patients. Lupus Ontario's mission is to provide vital support, education, awareness, advocacy, and research through the fundraising efforts of our staff and volunteer community to help those with lupus live longer, healthier and better lives. As the largest Canadian provincial organization focused on lupus, Lupus Ontario has spent the last 46 years focused on improving the lives of lupus patients and their families.

Lupus is a debilitating autoimmune disease where the body attacks itself causing inflammation, pain, and possible organ damage. Five million people suffer from lupus globally and there is currently no cure. Nine out of ten lupus patients are women, usually diagnosed between the ages of 15 and 45. Lupus is a condition that takes on average 6 years to diagnose as there are a multitude of possible symptoms/markers.

Lupus Ontario is very grateful that ACT/UCT recognized the need to support this incurable disease. Treatments have dramatically improved over the years, but we still have not found a cure. Thank you to ACT/UCT for continuing the journey to someday achieve Life Without Lupus. Everyone at Lupus Ontario sends best wishes to ACT/UCT on their 80th Anniversary.

Did you know...

...we all remember how to "Paint the Town Red" from our 2013 Convention directed by Chairperson Doug Honeyford and in the year 2000 we hosted our Canadian members with "A New Beginning" convention with Chairs Joe Wilcox and Jim Carrey. Many will remember the "Sudbury is Heaven in 1987" directed by Chair Mike Furlong but did you know that Sudbury hosted its first Biennial Convention in 1963, Chairperson unknown!! There were 6 past Dominion Presidents in attendance at this meeting.

Code of Ethics

REMEMBER - let first things come first. He profits most who serves best.

PACK YOUR GRIP - with human kindness. Don't be mean or selfish; your competitor has to live - have the courage and conscience to meet him halfway. Greed leads men into making many an error, but it justifies none.

HIT THE TRAIL - with good character and don't lose it. The higher principles of a man are noticed everywhere. It takes less effort to make a good impression than to make a bad one.

PLAY THE GAME - by being loyal, honest and upright toward your family and firm.

THINK - Know our job. Speak the truth and avoid misrepresentation, do what you are paid to do and then some, it's the "THEN SOME" that counts. You can't build a six-storey structure on a three storey foundation.

CHECK OUT - with a clean conscience, knowing that you have done unto the other fellow as you would expect him to do unto you. Nothing costs less and pays more than the compliments of honor and civility.

Experience the A.C.T./UCT Difference

A.C.T./UCT has a lot to offer its members, it is not all about paying your dues, which are just \$50.00 annually.

FRATERNAL--A.C.T./UCT has an abiding interest in the lives of its members and accordingly offers various benefits and discounts.

FAMILY ORIENTED--A.C.T./UCT recognizes the vitality that needs to be preserved through family togetherness. Social events or casual gatherings are held throughout the year for members and their families.

COMMUNITY CONSCIOUS--Members are acutely aware of their responsibility to their community and sponsor a number of projects each year. From community or charitable walks, various telethon panels or

highway clean up we are there to help.

PHILANTHROPIC--For 80 years A.C.T./UCT has assisted food banks, the Salvation Army, House of Kin, medical facilities and provided scholarships or support to a

multitude of community endeavours, we are People Helping People, every day.

If you are interested in becoming a member or volunteer with this vibrant organization please contact any member of the executive.

A.C.T./UCT and Minor Baseball

A.C.T./UCT is easily one of the longest serving sponsors of minor baseball in Sudbury, with a history of approximately 50 years of sponsorship. That's quite a few young ball players who have worn the ACT/UCT logo over the years. Many of their members have played, had children who have played in SMBA, and a few have even been brave enough to hop behind the bench and coach.

Each year A.C.T./UCT sponsors at least one team and members visit the Terry Fox Complex to see their teams in action, often bringing with them hats and treats for the players.

A.C.T./UCT has been recognized by the Sports Hall of Fame for their contributions and Sudbury Minor

Baseball is very lucky to have A.C.T./UCT as a sponsor. Thank you A.C.T./UCT!

Forest Ridge Golf and Country Club

A.C.T./UCT Sudbury has organized an annual Golf Tournament for the past 23 years. Initially the tournament was for members only. In 2016 we decided to go with a bigger and better tournament and relocated to Forest Ridge Golf and Country Club. The clubhouse is a larger venue with additional space and we were able to add a silent auction as well as more teams. The tournament has become a major fundraiser for ACT each year. Most teams have supported us every year and continue to return to enjoy the fun.

This year is our 23rd annual charity golf tournament and will be held on Saturday August 17th. We are always in need of additional teams to play, prizes and hole sponsors. Your donation of silent auction items would be most appreciated. The success of this event relies on your support. Please contact Don Delongchamp for further details at 705-690-1811. Thank you for your assistance in making this event so successful.

The road is cleared twice each year.

The City of Sudbury included our new play structure on the cover of the 1999 Leisure Guide.

House of KIN

House of Kin would like to congratulate A.C.T./UCT for their 80-year mark, this is a true achievement! For a little more than a quarter of a century, 26 years to be exact, A.C.T./UCT have been a big supporter of the House of Kin. The House of Kin is a not-for-profit organization that specializes in safe, affordable accommodations for patients and families coming to Sudbury to use its medical services. These vulnerable persons are offered one of our 32 beautiful guest rooms at a discounted medical rate, and are given access to a kitchen and lounge area, guest laundry room, and a quiet room, to make their stay feel like a "Home Away from Home".

Our founder, Chris Sheridan, has been a part of the A.C.T./UCT for 26+ years, creating a strong link between our organizations. We

can always count on their support whether that be attending our Curling and Golf tournaments each year, or being there to support us when we accomplish something worthwhile such as our lobby's grand reopening, done in 2023. Not to mention when

we were in the process of upgrading our rooms, A.C.T./UCT sponsored room 219 for all of the costs that incurred in this renovation, which totaled over \$25,000. We cannot begin to express the fondness we hold for this amazing organization.

Congratulations to A.C.T./UCT

On Giving to the
Community for 80
years.

"Hug from a Friend"
Members Gil and Dale Hartley present home made blankets to Maison Mcculloch Hospice.

Don Delongchamp (left) and Doug Honeyford (right) present \$1000 to Spencer Webster to send a kid to camp.

Volunteers man the phones at the annual Christmas Telethon and \$1000 to the cause. Members Doug Honeyford, Connie Zwarich and Don Delongchamp.

Members gather at Delta Bingo to present \$5000 to the Salvation Army.

Roses for the Living Award

The A.C.T./UCT is entirely a volunteer organization. As a way of recognizing members who have contributed significant time to further the aims of the organization, the Roses for the Living award was instituted over thirty years ago.

The Roses for the Living is an award usually presented annually to members who have gone above and beyond the Council's expectations in helping fellow members and the community in which we live.

Some members who have passed that have been recognized are the late Frank Musico, Anita Thompson, Leo "Aces" Michelutti, Reg Manual, Hubert Despres, Conrad Houle, Ray Giroux, Jack St. Louis, Ralph Kuhn and Heather Wilcox.

The presentation of the Roses for the Living award is accompanied by the adjacent poem.

Our membership is made up of community minded citizens, younger and many with extensive seniority. Community service is a foundation that attracts many members who are committed to helping others, from all walks of life. Our most senior member has almost seventy years of committed service. We are very proud to say the Sudbury Council has 30+ members that each have over fifty years of service to our community.

Additionally the Sudbury Council has provided several members over many years who have served on the ACT/UCT Regional executive and two members who are recognized as Past International President.

Suffice to say being a member of ACT Sudbury is cherished by all that have participated. Please consider joining us by contacting any member of our Executive team.

Marlene Billsborough receives Roses for the Living from President Don Delongchamp.

One Little Rose

"I would rather have one little rose
from the garden of a friend,
Than to have the choicest flowers
When my stay on earth must end.
I would rather have a pleasant
Word in kindness said to me,
Than flattery when my heart is still
And this life has ceased to be.
I would rather have a loving smile
From friends I know are true,
Than tears shed around my casket
When this world I bid adieu.
Bring me all the flowers today
Whether pink or white, or red,
I'd rather have one blossom now
Than a truckload when I'm dead".

Northern Credit Union Community Centre is Sudbury's oldest sports organization founded in 1892 as the Sudbury Curling Club. Early on in our history we were solely a curling club.

Let's jump forward 130 years and we are now a 12 month year round venue that has partnered with Northern Credit Union.

We offer the following: 6 indoor pickle ball courts (May-September), wedding and meeting space, roller skating, outdoor patio, home of the \$1.00 wings. We have a 13,000sq floor available for trade shows, catering and as always 6 sheets of world class curling ice (October-April). **We truly can do it all.**

***We would like to congratulate ACT/UCT on their
80th Anniversary from one community
organization to another.***

WWW.NCUCOMMUNITYCENTRE.CA

In 1999 Sudbury A.C.T./UCT saw a need and responded. The wooden play structure in Bell Park needed an overhaul. A.C.T./UCT partnered with the City to install a handicapped accessible play structure that 25 years later, still looks like new. Well done and thank you to the partners.

Did you know...

...that in the 1880's travellers lobbied for legislation that controlled hotel sanitary conditions? (Daily changing of bed sheets!!)

Cooking Up Great Fundraising Programs

When it comes to community involvement, it's hard to beat the close partnership between A.C.T./UCT and Vitto Brand Foods. For over 80 years A.C.T./UCT has been supporting local charities in Greater Sudbury through fundraising campaigns that include the Christmas ham program which is proudly supported by Sudbury's own Vitto Brand Foods.

When it comes to making Greater Sudbury even Greater through community programs and fundraising campaigns A.C.T./UCT and Vitto Brand Foods knows what's cooking.
